

Healthcare Connect Academy

HEALTH CARE CONNECT

In collaboration with participating hospitals, acute rehabilitation facilities, long term care communities, home health, hospice, educational institutions, county development offices and training partners, HCC develops programs, trainings and workshops for individuals and companies to help with recruitment and retention of health care workers. Benefits to participating in the partnership are: (1) Workforce training grants (2) Shared resources for business support (3) Networking (4) Annual Best Practices Conference (5) Youth career exploration events to grow the pipeline of qualified workers.

FACTS

- **Trained 7,689 individuals**
- **Engaged 13,010 young people through various career exploration events including half-day career showcases and week-long summer camps**
- **Implemented annual Health Care Best Practices Conference for health care professionals to share knowledge and experience across the continuum of care.**
- **Raised over \$3.1 million in cash and in-kind match with the help of almost 1200 volunteer.**
