

Community & Local Government Assistance

Community and Local Government Assistance

Governor Corbett is committed supporting Pennsylvania’s communities and local governments through targeted investments and rewarding communities that develop long-term plans for sustainability.

DCED has compiled a list of the department’s assistance programs to support your efforts to improve your community.

Apply

Applications for most department program funding can be found on the Single Application for Assistance unless otherwise noted. Some programs require addenda or supplements to accompany the application, so be sure to double-check the guidelines for any of these requirements. You can apply easily online at newPA.com/single.

Need Help?

Call **866.466.3972** or visit newPA.com/contact-us. We’re more than happy to answer any questions regarding the Department’s programs. Not sure about completing the Single Application? We’ll help you with that, too.

Visit newPA.com/programs

The programs listed are regularly evolving – for the most up-to-date information, visit newPA.com/programs.
