Dear Main Street Grant Applicant,

We have completed our review of your application for funding through the Chester County Main Street Business Preservation Grant. We are sorry to inform you that your application was not funded. The program was highly competitive as we received 674 applications for the \$5 million fund that was available and applications exceeded funding availability by 250%.

We are continuing to monitor county, state and federal opportunities for additional business relief programs and recommend that you follow both the Chester County Economic Development Council and Chester County, PA websites, which will be updated if and when additional programs become available.

Sincerely,

The CCEDC Grant Processing Team
